We deliver confidence

OceanAir
Logistics

www.OceanAirLogistics.com

OceanAir Logistics is so confident you'll be completely satisfied with our International cargo service... we guarantee it in writing!

OceanAir's on-time international delivery record and the reliability of their systems and people are backed by a **100% Money-Back Delivery Guarantee.**

If your shipment is not delivered on the standard scheduled delivery day, you can request a refund or credit of your transportation charges if:

1. We miss our delivery promise by 24 hours or more; or
2. We can't tell your shipment status within 24 hours of your call.

Applies to shipments to business address. See OceanAir's Terms & Conditions for details on International Money-Back Guarantee.

No matter the size or weight, all shipments are handled by professionals with the experience to deliver first class service around the globe.

OceanAir handles full containers, loose cargo, vehicles and heavy equipment, as well as inland freight, packing, consular legalization, banking, and cargo insurance.

When you need to transport freight in the shortest time...

Count on OceanAir's airline representation to immediately book your shipment on the next available flight.

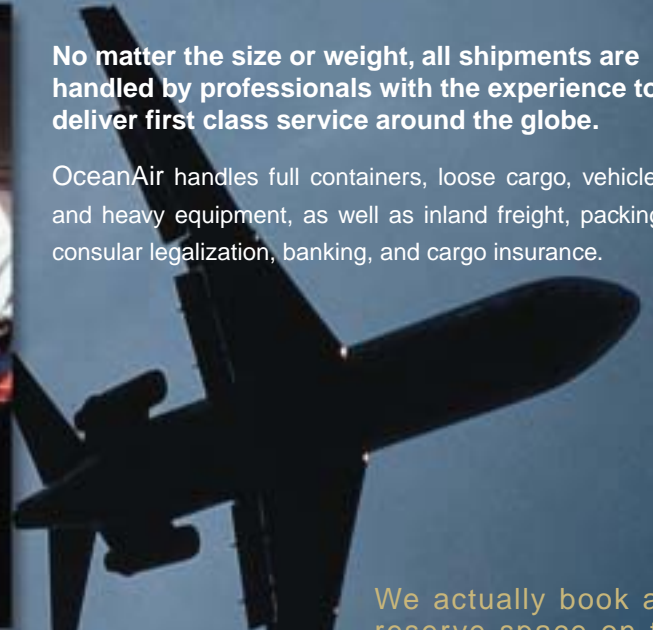

As soon as we receive your phone call, our transportation consultants will schedule the fastest transit time, to any destination, using our advanced computerized traffic and cargo booking system.

We actually book and reserve space on the next scheduled commercial flight when you call for the pick-up.

Your shipment is manifested on the next flight, instead of waiting to be consolidated with many other shipments.

OceanAir's state-of-the-art cargo tracking and scheduling provide for your peace of mind.

Flight availability depends on the weight and volume of your shipment. Please call us for complete details.

Responsive cargo transportation to **Latin America, the Caribbean, Europe, Asia, the Middle East & Australia**

Serving worldwide destinations at competitive rates, OceanAir offers expedited transit times and a team of knowledgeable transportation specialists ready to serve you 24 hours a day.
